

Milam County Broiler Show Set For Saturday Morning, July 17

The Milam County Junior Broiler Show will be held Saturday, July 17 at the Yoe High Vocational Building. The show will begin at 10 a.m. All contest entrants must have their chickens displayed by 9 a.m.

E. D. Parnell, Texas A & M College, will officiate as judge of the show. He is former vocational agriculture teacher at Yoe High School. Twenty-one Cameron business men sponsored the chick contest.

Judging will be based on the following factors: uniformity of size and weight; featuring and fleshing, pigmentation and cleanliness of birds. Members of the Poultry committee at the Chamber of Commerce have assisted in the plans for the show; they include Leo Fuchs, Roy Wright, Leroy Thompson, J. D. Moore and Charles Brady, Sr.

A banquet has been planned at 7:30 p.m. for the contestants. The menu will consist of barbecued chicken, chili beans, potato salad. Any other person wishing to attend the banquet may purchase a ticket at the Chamber of Commerce at \$1 per person. No tickets will be sold after Thursday, 15 or at the door on the night of the banquet.

Firemen Answer 7 Calls Monday; Grass Fires May Be Prevented

The majority of the seven fire calls answered by the Cameron Volunteer Fire Department Monday could definitely have been prevented according to fire department officials. The local department answered seven calls Monday, all of which were grass fires.

Many of the residents are being careless about where they burn trash and fail to keep a close eye on the fire, Sheriff Carl C. Black said. Any amount of wind can easily carry the blaze to different points which may result in disaster to themselves or to a neighbor. Sheriff Black stated that if it was absolutely necessary for the people to burn trash, they should wet the area surrounding the trash can.

Citizens were asked to keep a watchful eye on their bonfires, and it was stressed, that they should not burn trash under any circumstances during this hot and dry season.

In order to help prevent grass fires along the streets and roads, people have been asked not to throw their cigarettes out of the window of their auto, but to place them in their ash tray. Lighted articles such as this have proved to be more than once, a dangerous fire hazard and ended in a major catastrophe.

The fire department began Tuesday morning too by answer-

Nelson Talks Football To Lions

Bob Nelson, Rockdale attorney, was guest speaker at the Lions Club luncheon this week. Nelson spoke on his nine years experience as a professional football player. He told the Lions of the inside dope of professional football, pointing out the good and the bad.

Dr. George Bowman, vice president, was in charge of the business meeting. Further plans were made for the Lions Club Minstrel, which will be given in the fall.

Postal Receipts Up 15 Per Cent

The Cameron Post Office has showed a fifteen per cent increase in postal receipts for the past six months over the same period from 1953. Postmaster John Hays reported.

From January to June, 1954, the local Office received \$55,031.92 while during the same six months, 1953, a total of \$43,420.85 was passed through.

The contest is under the direction of the Poultry Committee at the Cameron Chamber of Commerce.

Students Needed For New Swimming Class

A new swimming class has been established at the City swimming pool this week the instructors announced. Swimmers may enroll in the class at any time during the week, and their instructions will begin immediately.

Lawrence Michalka stated that the recent group of swimmers successfully completed the course, and "are swimming all over the place."

With the new series beginning now, Michalka stated that there is room left for new swimmers. Parents who have children who cannot swim are urged to enter their child in these lessons each week day morning. Instructions in beginners and advance swimming are given by two capable men, Joe Hawkins and Michalka, who also are in charge of the swimming pool.

Jack Prescott Heads Milam Campaign To Reelect Gov. Shivers

It was announced this week that Governor Allan Shivers has appointed Jack W. Prescott, Cameron attorney, to manage his campaign in Milam county for reelection as State Governor.

Milam county headquarters will be in Mr. Prescott's office in the First National Bank Building in Cameron.

Prescott stated that he has campaign material such as stickers, placards and folders for distribution to use in assisting Governor Shivers' bid for reelection.

Prescott added, "If anyone is interested he is welcome to come by my office and pick up these materials."

Court Charges Harold Stanislaw In Fish Poison Act

According to Judge Charles C. Smith, Jr. Harold Stanislaw was sentenced to 90 days in the county jail on charges of poisoning fish with crotonone in Pond Creek. He pleaded guilty and was fined \$50 plus cost of court.

Judge Smith said that Stanislaw was with Billy Ray Braden and James Blackmon at the time of the fish poisoning incident and was implicated in the act that took place on May 30. He said that Ross Seale of Hearne, Game Warden, was here fore the court procedures.

Sheriff Carl Black said that Stanislaw was taken into custody here Sunday morning, July 4.

AT FORT BLISS — Three soldiers of the Cameron area recently began eight weeks of basic training in the Antiaircraft Artillery Replacement Training Center at Fort Bliss, Texas, near El Paso. They are left to right, Pvt. Giles B. McDermott, son of Mr. and Mrs. Erskine McDermott, of Route 3, Cameron; Pvt. Victor W. Hawk, husband of Anita Hawk, Rt. 3 Rosebud and son of Mr. and Mrs. Joe Hawk, Rosebud and Pvt. Charles T. Chandler, son of Mr. and Mrs. J. C. Chandler, 604 East 29th Cameron. They will spend the first eight weeks of basic training on fundamental Infantry subjects like army drill, rifle, machine gun, and basic marksmanship, and familiarization with army technical subjects. The first phase of training is climaxed with a one-week maneuver in the field. All three soldiers are graduates of Yoe High School. Both Pvt. Hawk and Pvt. Chandler were members of the Yoemen athletic teams prior to induction. Pvt. Hawk was engaged in farming while Pvt. Chandler who attended Texas A & M College and the University of Houston, was employed at Alcoa. Pvt. McDermott, who also attended Texas A & M College, was associated with his father in farming in the Marlow community before being inducted.

Mr., Mrs. Layfield Return Via Plane From New York City

Mr. and Mrs. Sanford M. Layfield have returned from a plane trip to New York City where they attended the 92nd annual meeting of the National Education Association. The six-day sessions in Madison Square Garden from June 27 to July 2 attracted a record attendance of 20,000 teachers and friends of education. Texas was honored when the group elected as their new president a Texan, Miss Waurine Walker, director of teacher relations and certification of the Texas Education Agency in Austin.

Main speakers included President Grayson Kirk, Columbia University; Ralph Bunche, director Division of Trusteeship, United Nations; and Mrs. Billie Davis author of "I was a Hobo Kid."

One of the most outstanding programs was a pageant, "Through Freedom's Door," sponsored by the Board of Education of the City of New York and presented by nearly 2000 students from city schools. Spectacular, colorful, with beautiful music, it was a work of highest art.

Another highlight was a guided tour through the United Nations Buildings with talks in the General Assembly Hall, including one by Mrs. Eleanor Roosevelt.

With attending these meetings and sandwiching in sightseeing, several Broadway plays, and visits with friends and relatives, the Layfields spent a busy two weeks.

Mr. Layfield is principal of the local high school.

Cardinals Slap Gas House For 10-9 Victory; Take Leadership

It was a hot and contested struggle for superiority in the Junior Boys Baseball league Monday night at the City Park when the Cardinals and Gas House strived to gain hold of the first place notch. A run in the bottom of the fifth inning spelled the difference for the Cardinals as they won 10 to 9.

The two teams were tied for first place and Monday night's battle proved to be the deciding point. Bob Brantley tossed for the winners while Bobby Elliott was behind the plate. Pitcher for the losers was Chili Williams and catching was Lee Hollas.

The Cardinals open the important tussle scoring six runs to the Gas House's two. The Gas House team came back and marked up two in the second and four more in the third. The Cards managed only two runs in the third and tied it up in the fourth, 9 to 9. The lone run by the Cards in the fifth iced the game and gave the league leadership to the Cardinals.

Bartel Johnson and Bobby Elliott led the winners in the hitting category by collecting a double and a single each.

Make McDermott of the Gas House collected the only home run for the game and added another single to lead the losers. Also a big hitter for the game was Bobby Griswold with a triple and two singles.

The second game of the evening was a wide open affair and a battle to win in order to stay out of the cellar. From the first inning it looked as though the Indians meant business with a lot of determination as they accounted for seven runs to the Yankees two.

But the Yanks shut them out for the remainder of the game

and went on the mark up 14 runs and win the ball game, 15 to 7.

Twirling for the winners was Arthur Marek and catching was Ray Green. Griffit Barrett was the losing pitcher while Dillon was behind the plate.

Big hitters for the Cards were Larry Jackson with a triple and two singles, Luther Barrett with a home run and a double and Arthur Marek with a single, triple and one home run.

Archie Marz and George Zarosky were the big noises for the Indians by slugging out two home runs each.

Fans are to be commented on their enthusiasm shown Monday night at the park. A large crowd of boosters was on hand to cheer for its favorite team.

The Junior girls softball team met at the Ada Henderson grounds at six. Tennis instructions were also in progress at the high school courts.

Mystery Man Awards Service Station Attendant \$5.00

Larry Reyna is five dollars richer today. Monday July 12, the "Gates Mystery man" drove under the Jenkins Service Station to have his car checked. Reyna, after checking the gas, oil and other necessities, told the mystery man he needed a new fan belt. The man asked what kind did he have for sale, and he told the "mystery man," he sold Gates fan belts.

Upon saying this, the mystery man told Reyna that he had won himself \$5.00. He took Reyna's name, address and other details and told him he would receive the money within a few days. The mystery man immediately drove off.

Reyna has been service station attendant at the Jenkins Service Station for the past several months.

Health Unit Director Meets With Officials To Discuss Budget

Compiled by Milam Health Unit

The director has met with the municipal governing bodies and the County Commissioners Court several times regarding the 1954 budget for the health unit. During the past year the health unit operated on a budget of sixty-seven cents per capita in the county, whereas an effective health program requires the expenditure of \$1.50 per capita according to most authorities. It is hoped to obtain this figure gradually over a period of years. The activities of the health unit will be intensified and expanded coincident with the budget increase.

A representative of the Milam County Health Unit attended the regional meeting of "Searchlight on Tuberculosis" at Waco, June 17, along with representatives from thirteen other Central Texas Counties. A county wide meeting is planned for early July and invitations to this meeting are being sent out to many citizens of Milam County.

The first case of polio in Milam County in this year was reported in a two and a half year old child from Burlington, on June 10. Although this was a bulbar type of polio the child was recovering nicely by the end of the month. Contacts of this

case were given Gamma Globulin as well as contacts of a Harris County case during June. No further cases have been reported.

Also reported during June were 29 cases of strept throat, 17 of measles, 8 gonorrhea, 4 pertussis (whooping cough), 3 mumps, 2 syphilis, 2 salmonellosis (food poisoning), 2 hepatitis and 1 typhoid case.

Regular routine inspections of food and other establishments have been made during the month of June, with special emphasis being placed on sterilization of dishes and utensils and sanitary methods of handling food during the hot season.

Considerable time has been spent during the month on treatment of private water supplies. A number of samples were submitted for analysis.

All tourist court and trailer park approval placards for the year 1954, have been delivered.

All nuisance complaints have been promptly investigated and corrections obtained in a majority of cases.

Central Texas Wants USDA Aid To Be Extended

WASHINGTON. — The Agriculture department was asked Thursday to extend beyond July 15 the feed program to provide drought-stricken farmers of Central Texas counties with cotton seed cake for cattle. Officials promised to give this serious consideration.

The department was also asked to concentrate studies with congressmen, state and local county officials to devise some means of helping the small farmer who does not depend on cattle for his income.

John C. White, state commissioner of agriculture, and Reps. Homer Thornberry, Austin, and Bob Poage, Waco met with Kenneth Scott, director of agriculture credit services. Sen. Lyndon Johnson arranged the meeting. Another meeting of the drought advisory committee, composed of Poage and congressmen from other states and agriculture officials, were scheduled to consider this problem Friday.

White said he had nothing specific yet to propose to help the small farmer, mainly because no one has yet decided exactly what can be done. He and agriculture officials appealed Thursday to farmers, bankers, business men

One Game Played In Senior Boys Baseball League

Jodie Brantley twirled his team managed by Howard Beale, to a 10 to 7 victory over the team directed by Rev. John Solomon in the Senior Boys Baseball League at the City Park Thursday night.

Only one game was played by the senior boys. Catching Brantley's balls was Luther Burnett. Alton Witt held the mound position for the losers and Jimmy Rettig was behind the plate.

The big wind for the winners was Bobby Williams who got a single, double and homer. His home run came in the third inning with one man on base. Pitcher Brantley also got a home run for the winners.

Pushing the steam for the losers was Leroy Franklin who stacked up a single and home run. Another home run was marked up by Rettig.

The losing team opened the ballgame in the first inning getting one run on the score board. Lagging behind in the third, the winning team ran up four scores and lead for the first time, 4 to 3. Both teams battled it out in the fifth and the home plate was kept spotless by both teams. The fifth was a big inning for the losers as they ran up four scores to the winners one and took back the lead 8 to 5. But the fifth ended the losers scoring while the winning team marked up two points in the sixth inning and three in the seventh to win the ball game. Both teams played good ball and exhibited good team work.

Cpl. Leroy Sanders On 30-Day Furlough; Stationed At Ft. Lewis

Cpl. Leroy Sanders, son of Mr. and Mrs. Johnnie Sanders of Cameron, is home on a 30 day furlough. He has been in the service for 15 1-2 months.

Cpl. Sanders is presently stationed at Fort Lewis, Washington where he has been for ten months. Prior to going to present location, he was stationed at Fort Lennardwood, Mo. He received his basic training at Fort Lennardwood.

He is with the army division supply department. Sanders plans to be in Cameron until the first of August. While he was in Yoe High School, he participated in all sports events, especially basketball and track.

Battery C Adds One Officer, Member

Lloyd Albertson

Battery C, 649th Anti-aircraft Artillery Battalion had one officer and one enlisted man added to its rolls on last Tuesday evening, the local National Guard unit reported today.

It said the enlisted man was John A. Culp. He is a high school student and resides in Buckholts. The new officer was listed as Gordon E. Simmons. He received his commission as a Second Lieut-

enant when he appeared before a Board of officers of the Texas National Guard at Camp Mabry in Austin on Tuesday evening. Prior to receiving his appointment as 2nd Lieutenant and being assigned to Battery C, Simmons was a member of Battery A in Temple with the rank of Sergeant First Class. He is a resident of Rockdale and is employed there by Alcoa.

One other application for enlistment was received during the weekly drill period, Battery C also stated, and it is being processed at this time.

—and only a few dollars more than the low-price cars!

HAVE you been thinking you can't afford a new Buick? Listen:

If you can afford any new car, you can afford a Buick — and a look at the figure on the price tag proves it.

Look again, and you'll see that this is the local delivered price of the new Buick SPECIAL 2-door, 6-passenger Sedan. Compare, and you'll learn that this price is just a few dollars away from those of the so-called "low-price three."

But — dig a little deeper if you want the real clincher. That's when you find that those few dollars more you pay for a Buick buy you a lot more automobile.

They buy a whale of a lot more power — Buick V8 power—plus the new economy of Power-Head combustion.

They buy a lot more luxury and comfort and solidity—more room, more glass area, more frame strength, more tread width, more ride steadiness—including the million dollar "feel" of all-coil springing and torque-tube stability.

They buy, too, the most advanced styling of the time, and the great panoramic windshield, and the surety that such fresh-

FFA State Meet July 21 - 23 At San Antonio

All corners of Texas will be represented when the Future Farmers of America gather for their 26th annual state convention in the historic old city of San Antonio July 21-23.

Young men from the piney woods, coastal plains, Panhandle, fertile river valleys, and the plateaus will be provided a full program of entertainment as well as the important business and educational sessions.

State President Jon Hagler of LaGrange and six regional vice presidents have met with the local planning committee of San Antonio business men and report plans for one of the finest conventions in the organization's history.

A downtown parade, fun night at old La Villita, entertainment at the Plaza Hotel, and individual sightseeing trips are high points to the San Antonio convention. Business sessions and educational exhibits will be at the Plaza Hotel.

Over Half Million Allotted Texans For Water Loans in 1955

Official word has been received at the County Farmers Home Administration office that Congress has authorized \$6,500,000 for use in making Water Facilities Loans for the Fiscal Year 1955. On this amount Texas has been allotted \$550,000.00.

Roy Wright, County Supervisor, said these loans are made to family type farmers to construct, repair, or enlarge a pond, well, or similar facility. Eligibility for these loans are based upon need for the facility, whether the farm is a family-type size farm unit, and if the needed funds cannot be obtained on reasonable terms and in sufficient amounts from established credit sources in the area. The interest rate on these loans is three percent and usually for a period of five years or more. Wright further stated that these loans must be adequately secured by a first lien upon property purchased with the loan and by additional personal property. The drought has brought out the need for improving the water situation on farms and ranches in the State. Wright pointed out that most farm families regard an automatic water system as a great blessing and these loans are available for this purpose. Practically every farm activity gets a lift when there is plenty of running water.

Applications for these loans may be made at the County FHA Office located in the Henderson Building in Cameron.

White Sox, Yankees Tie; Indians Stomp Braves Friday Night

The White Sox and Yankees played five innings and emerged with a tie here Friday night at the City Park. The other game of the Little League was won by the Indians who stomped the Braves, 10 to 1.

The first hard fought ballgame was pitched by E. Williams for the Yankees and Carl Fikes for the White Sox. Catching for the Yankees was John Holloway while James Hickman completed the battery for the White Sox.

The Yanks opened the ballgame fast as they scored four points in the first inning to lead the White Sox 4 to 1. It wasn't until the third inning that the Sox put on some steam, pushing across the plate an additional three runs to tie the ballgame four to four. The Sox went ahead in the fourth by adding two points to the Yankees one.

The fifth inning was the Yanks, who scored one point in order to tie the Sox.

In the second game, between the Indians and Braves, it was the fifth inning that brought all of the cheers. The Indians scored six times to run away with the game. It was also in the

fifth that the Braves added their lone run.

The winning team went right into the ballgame as they marked up two points in the first, none in the second and one each in the third and fourth. The final six runs were in the last inning.

Winning pitcher was D. Veazey while C. Hollas caught. E. Adams pitched for the Braves with C. Hollas behind the plate.

Coach Leo Jackson said that all four teams are showing definite improvement in playing as the season progresses.

There was also a full night of square dancing at the tennis courts with a large crowd present. The dancers are learning fast and are now able to more clearly understand the caller.

Mr. and Mrs. Harold Jackson and two year old son, of Monahanans, spent the 4th of July here with his mother, Mrs. F. E. Jackson, Sr. and enjoyed a number of social events that were planned for their enjoyment. Harold is a native of Cameron and has many friends and relatives here who welcomes his return visits.

What's New with Cows?

Catching up on my reading, I noticed three news items you might like to know about.

First, a farmer whose milk had a trace of garlic flavor is feeding his cows chlorophyll to sweeten their breaths.

Next, a college agricultural station has trained a herd to get milked when they are called by number. Seems 75 out of 80 cows learned their numbers in a few days. Guess the "dumb" five couldn't count that high. Final item—cows are getting "nose-printed" for identification.

From where I sit, I hope there is as much progress being made with humans... especially in regard to tolerance. Whether it's a choice of a political party, a basketball team, or a favorite beverage, let's learn to live and let live more. You may ask for a soft drink after a hard day's work—I'll choose a refreshing glass of beer. But let's not try to "cow" the other fellow into our way of thinking!

LITTLE RIVER PHILOSOPHER EXPLAINS WHY PEOPLE NOT LISTENING TO THE CANDIDATES LIKE THEY FORMERLY DID

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River tries to explain the lack of interest in politics this week. Don't know whether he succeeds or not. Dear editor:

Some of my neighbors and me were talking the other afternoon about politics, or I better put it the lack of politics.

Nobody, it seems has gotten very steamed up over politics this year, and here the election is right on us. It used to be, along about this time, all you could hear was politics, and when four or five people got together, a hot argument always developed, with maybe a little fist fight on the side. But nowadays not only can you fail to get up any arguments, you can't even get a crowd at a political speaking and the few that do turn up just sit there and eye the speaker without much show of response, and there ain't nothin more discouragin than a candidate flail in his arms and meltin down his his collar, with nobody listening.

My neighbors were offering all kinds of explanations for this luke-warm interest in politics, one of em said it was the fault of the voters, they just was fall in down on their job of makin democracy work; another said it was the fault of radio and television, they offered too much competition.

I do not agree with any of these. The fault lies mostly with the candidates, and it's not that the candidates aren't as good as they ever was, it's just that they've used all the adjectives against each other. There ain't nothin original left to call an opponent.

Time was when, if a candidate promised to take the skin off his opponent, a big crowd would turn out to hear him pour it on, and some really colorful speakin resulted, but after a few years of it, after candidates have called each other about all there is to call a man, the novelty wears off. When candidates have succeeded in describing each other down to a certain point, there ain't nothin left to say, there ain't no more skin left to take off, and consequently people lose interest.

Where the candidates made their mistake years ago was in bein too generous in the use of adjectives. If everybody calls everybody a lose - jointed liar and a horse thief, there just ain't no shock value left, and voters switch on "I Love Lucy." They should have rationed em, usin up just a few words each year, so the supply would have lasted at least through the 20th century. But here the century is only a little past half gone and they're at the bottom of the barrel. Seems

like a great lack of foresight, to me. When is the election this year anyway?

Yours faithfully,
J. A.

Miss Joyce Allison, Mr. Zotz Marry in Waco Church Ceremony

Miss Joyce Allison and Mr. Robert Zotz were married in the Chapel of the Austin Avenue Methodist Church in Waco at 8 o'clock in the evening, Thursday, June 24. Rev. J. M. Cooper, associate pastor at the Austin Avenue Methodist Church read the double ring ceremony. The bride is the daughter of Mr. and Mrs. Clarence Allison. Mr. Zotz is the son of Mrs. O. G. Zotz.

The bride wore an ice blue voile dress with lace top with white accessories. Her corsage was stephanotis centered with a white gardenia.

Miss Barbara Helman of Fort Worth attended as maid of honor. Mr. Weldon Johnson was best man for Mr. Zotz.

The bride is a graduate of Yoe High School 1950 and holds a BBA degree from North Texas State College at Denton. She is presently employed with the Flying Training Air Force Headquarters in Waco.

Mr. Zotz, also a graduate of Yoe High School, has a BA degree from Texas Christian University at Fort Worth. He served as assistant coach at La Vega High School last year where he was associated with Coach Paul Smith, former coach at Yoe.

High School.

After a short wedding trip, the couple will make their home at 1122 1-2 Barlow St. in Bellmead. Mrs. Zotz chose for traveling, a white gabardine suit with a corsage.

Fred Richter Feted On Birthday At Barbecue Dinner

Mr. and Mrs. Laurence Richter of Houston entertained approximately fifty guests for a barbecue dinner Sunday, July 4 honoring his father, Fred Richter, on his birthday.

The celebration was held at the Little River on Joe Glaser's farm near Buckholts. Dinner was spread picnic style under a shady grove at noon. The huge birthday cake, complete with candles was beautifully decorated in the red, white and blue colors and centered with the U. S. flag fashioned from the confection.

Visitation was enjoyed throughout the day among the older guests, while the younger folks enjoyed swimming, horse shoe pitching and other favored sports. Mr. Richter, the honoree, was a former resident of Buckholts.

Family members and close friends made up the guest list. Those from out of town were Milton and Herbert Richter of San Angelo; Waymond Richter and son, Hugo of Cyclone, Mrs. Henry Luska and daughters of Ft. Worth; Mr. and Mrs. Frank Vybril and family of Burlington, Mr. and Mrs. Charlie Gruffman of Waco, Mr. and Mrs. Johnny Hanel of Dayton, Rudolph Zalesky and sons, Billie and Harry of Dallas, Mr. and Mrs. Laurence Richter and Fred Richter, the honoree and Mrs. Richter of Houston.

Special guests were the honoree's parents, Mr. and Mrs. F. O. Richter, who celebrated their 50th wedding anniversary recently and Mrs. Richter's mother, Mrs. L. M. Zalesky.

FHA Girls Attend Training Center At Granite Shoals

Compiled by FHA Members
Eight Cameron Future Homemakers of America members and their sponsors left Monday, June 21 for the Granite Shoals Training Center, which is located 10 miles west of Marble Falls, Texas.

Cameron girls were Rita Moraw, Rose Marie Matyastik, Betsy Vogelsang, Mary Jo Varner, Evelyn Vybiral, Lois Horstmann, Marye Horstmann, Rita Reid, and Dorothy Kelley.

Sponsors attending were Miss Patsy Skeen, Junior Chapter Homemaking teacher at Yoe high school, Mrs. Albert Horstmann and Irma Kelley.

The Cameron girls were the first ones to arrive at the Center Monday around noon and found a beautiful secluded place located on a large lake. By being the early birds the Cameron girls had the pick of the houses and most important, first choice of beds. But before chow was served Monday night there were thirty-one girls and nine sponsors from Chapters all over the district.

Those attending enjoyed swimming, motor boat riding, taking pictures, and in crafts, lovely earrings were made. It was also fun watching deer when they got a chance. But it wasn't all play, for Tuesday evening every girl

was in a business meeting with the Cameron girls in charge.

In this meeting the girls found out how other chapters function and see if there were pointers that could improve the local chapter.

So after a busy two and one-half days the girls left Granite Shoals. On the way home the local group stopped by Longhorn Cavern. Besides the scenery in the Cavern, the local girls explained that they enjoyed the cool atmosphere too.

After the trip through the Caverns the Cameron group drove to Buchanan Dam, where some enjoyed boat riding. After sight seeing there, the group started for Cameron, arriving here at about 7:30 p.m.

In closing the report the Cameron girls said, "We want to thank our sponsors for a wonderful trip and we hope they had just as much fun as we did".

Mrs. S. S. Hickman of Jones Prairie was a Cameron visitor Friday.

Miss Loma Mae Russell, Mr. Parker Marry June 26; To Live in Salt Lake City

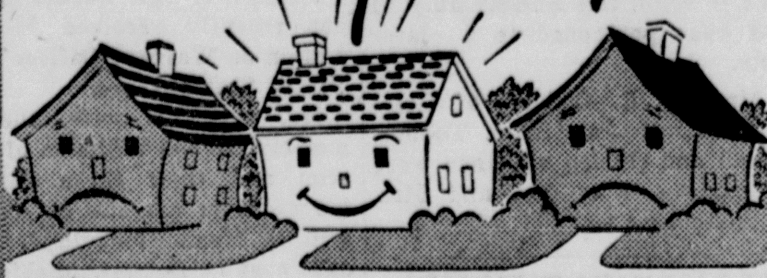

Mr. and Mrs. Charles E. Russell announce the marriage of their daughter, Loma Mae to Mr. Albert Lee Parker of Lomar, Missouri. Mr. Parker is the son of Mr. and Mrs. Roy R. Parker of Lomar, Missouri. They were married June 26, 1954, and will make their home in Salt Lake City, Utah where Mr. Parker is employed with a roofing construction Company.

Utah where Mr. Parker is employed with a roofing construction Company.

Mr. and Mrs. Erskine McDermott and daughter, Elizabeth, have returned home after visiting their son Pvt. G. B. McDermott, who is stationed at Fort Bliss, near El Paso.

1954 Cotton and Peanut Allotments

Reporters measuring this year's
cotton and peanut crops are mak-
ing good progress and should be
through measuring soon. It is
very important that those farm-
ers who are overplanted on their
allotments make arrangements to
dispose of the excess acreage im-
mediately.
The County ASC Committee
would like to remind producers
who have excess cotton acreage
that they have 20 days after the
date of the notice to adjust the
planted cotton acreage to the
farm allotment. In the case of ex-
cess peanut acreage, the produc-
er has 15 days from date of no-
tice. The cost of measuring dis-
posed excess acreage must be paid
by the farmer.

Johnson, McCall Lead Team To 11 to 8 Victory

Slugging power was combined with Barbara Jo Johnson's and Millie McCall's hitting to give team one a 11 to 8 victory over team number two in the Senior girls softball league at the City Park Tuesday night. Both girls lead the team, coached by Richard Williams, with two singles apiece.

It was, however, Barbara Gurcky who was the big hitter for both teams. Barbara is a member of team number two, managed by Coach Leo Jackson. She slugged out a double and two singles. Betty Gibbs also collected two singles for the losing team.

Team number one opened their scoring in the second inning by pushing across the plate one run and adding two more in the third. Team number two came back in the third inning to open their scoring and tie the ballgame, 3 to 3.

Williams team then strode ahead, to say, by adding three in the next inning and five points in the sixth. Jackson's team couldn't manage anymore scores and were lagging 11 to 3 in the top of the seventh inning. They came back to stage a big rally and scored five runs. It wasn't enough, though, as team number one put the last girl out and finished the game 11 to 8.

Sissy Varner was the winning pitcher. A few boys were needed to complete the teams and Luther Edmondson filled in the catchers slot for the winning team. Betty Grace Varner pitched for the losers and Evelyn Vybiral completed the battery.

C. L. Canady had charge of the volleyball session at the tennis courts, but due to some unknown facts, Mr. Canady stated that no one showed up at the courts to play. Scheduled to play were the junior and senior boys.

It was reported though, that a good crowd of boys participated in the tennis instructions prior. This sport is directed by Scott Irvin. No actual matches have been staged up to date, although the boys have been testing their new skills against each other.

GI Loan Deadline Set July 25, 1957

On the tenth anniversary of the GI Bill, Dr. George T. McMahon, manager of the VA center in Waco, said recently the

veterans of Milam County and 33 others under his administration are giving the taxpayers big returns for the nation's investment in their welfare.

Passage of the GI Bill gave emphatic notice to the men and women of the Armed Forces that the American people did not intend to let them down.

Three big benefits were administered by the Veterans Administration—education and training, guaranteed loans, and unemployment pay. Today, only one of the "big three" benefits—GI loans—still is in full force. Its deadline is July 25, 1957. Education and training reached its starting cut-off point July 25, 1951. For the most part, veterans now in training are those who began before that date. This program ends July 25, 1956. Readjustment allowances for nearly all veterans stopped July 25, 1949.

Soil Conservation Plan Beneficial To B. F. Stewart Farm

B. F. Stewart of Cameron has good Bermuda grass on his 55 acre farm even though the weather has been extremely dry. On his 34 acres of pasture, most of the grass is 6 to 8 inches tall. The pastures are well fertilized each year and the weeds are controlled by mowing and grazed with sheep. Mr. Stewart keeps 10 to 25 head of cattle and twenty sheep on the pasture most of the time, still the pastures are not overgrazed.

Controlled grazing is made easy by fencing the pasture into small plots. One field is grazed while the others are allowed to rest. Only one field is used at a time.

Stewart has recently constructed a pond that will catch water from a spring that has never been known to go dry. He is hoping that the spring water will fill the pond within a month's time. Water from this pond can be used in three of the small plots, helping to better distribute grazing in these fields.

The good cover of Bermuda grass has prevented the damage of erosion on the entire farm. At the same time, the grass has improved the structure of the soil so that it will take all the water that falls and keep the water for plant use.

Mrs. James Kampbell of Honolulu, sister of Mrs. B. F. Robinson, arrived here to visit her sister. Mrs. Kampbell will leave for Europe shortly. She and Mrs. Robinson were scheduled to leave for Fort Worth Saturday.

Volleyball Players Are Scarce Here

Volleyball is about the only sport that is lagging in the summer recreation program, Coach Leo Jackson announced Friday. A few girls turned out for the sport at the high school tennis courts Thursday night, but more girls are needed. The Thursday night event is directed by Miss Martha Black.

Last Tuesday night not any boys showed up at the courts to play volleyball. Boys and girls are urged to take part in these events mainly because they were planned for their own enjoyment.

A good turnout was present at the tennis courts for tennis instructions by Scott Irvin. Thursday both boys and girls met at the courts for this popular sport.

New, bigger load space! New, lower loading height!

New Chevrolet Trucks...

do more work per day... more work per dollar!

You save on operating costs. The "Thriftmaster 235" engine, the "Loadmaster 235," and the "Jobmaster 261" (optional on 2-ton models at extra cost), deliver greater horsepower plus increased operating economy.

You save extra trips. That's because of extra load space. New pickup bodies are deeper... new stake and platform bodies are wider and longer.

You save time on deliveries. New truck Hydra-Matic transmission saves time and effort at every stop. Optional at extra cost on ½-, ¾- and 1-ton models.

You save with lower upkeep, too. There are heavier

axle shafts in two-ton models, bigger clutches in light- and heavy-duty models, stronger frames in all models.

You save hours on the road. Thanks to new high-compression engine power, you can maintain faster schedules without driving at higher maximum road speeds.

And your savings start the day you buy. Chevrolet, you know, is America's "lowest-priced line of trucks."

Come in and see all the wonderful new things you get in America's number one truck.

Now's the time to buy! Get our **BIG DEAL!** Save with a New Chevrolet!

Varied Conservation Practices Used To Control Erosion

Ray Tucker, who farms in the Walker's Creek community, utilizes a combination of several conservation practices to control erosion, maintain fertility and increase production on his 110 acre farm.

All of the cropland has been terraced and most of the terraces empty on a well sodded pasture. Each field is farmed on the contour and close growing crops are grown in rotation with row crops to give green cover and large amounts of stubble to protect the surface from the sun, wind, and water.

Hubam clover is his favorite legume as it not only furnishes green cover but also penetrates the sub soil and opens it up for better aeration and water intake. His pasture has been improved by fertilization grazing management and brush control.

Soil Conservation Service technicians report that Ray is a good conservation farmer and has progressed his original conservation plan to the point where all that is needed is the application each year of the recurring conservation practices and maintenance of the permanent practices.

1955 Wheat Marketing Quota Proclaimed

Secretary of Agriculture Benson has proclaimed what marketing quotas for the 1955 crop as required by law and has set July 23 as the date for the wheat marketing referendum.

On that date all eligible wheat producers in the county will have an opportunity to vote in the wheat referendum at the Milam County ASC Office in Cameron, Texas. Any farmer who will harvest in 1955 more than 15 acres of wheat on his farm is eligible to vote.

BEVERLY ANN ZAROSKY ARRIVES JULY 6

Nancy Helen Sapp Enlists In Womans' Air Force

Nancy Helen Sapp, daughter of Mr. and Mrs. J. B. Sapp of East First Street, Cameron, is presently taking her basic training at the Woman's Air Force at Lackland Air Force Base, San Antonio. She enlisted in the WAF on June 29 of this year.

Nancy is an honor graduate of Yoe High School with the class of 1954. She also participated in sports at the school.

She made a score of 98 out of a possible 100 on her mental test for her entrance into the WAF. Nancy told her parents through a letter that she is very much pleased and happy in the Air Force.

Sgt. John B. Sapp, son of Mr. and Mrs. Sapp, left Parks Air Force Base on July 5 to fly to Clark Field, Philippine Islands. Sgt. Sapp is a gunner on a B-29 bomber. He received his basic at Sheppard AFB, technical training at Lowery Air Force Base, Colorado and Randolph Air Force Base, San Antonio. He has been stationed at Hunter Air Force Base, Savannah, Georgia and also in France Morocco, Africa.

Another daughter of the Sapps' Sgt. Opal M. Sapp left Japan on July 10 to sail for the U. S. after a tour of duty in Japan. She has been there 25 months. Sgt. Opal received her basic training at Ft. Lee Virginia and technical at Fort Meade, Maryland. Sgt. Sapp has been stationed at Camp McCoy Wis., Camp Yokohama and Camp Tayko, Japan. She will be stationed at Fort Hood when she arrives in the United States. Sgt. Sapp is connected with the Foods Service.

Another son, Robert Lee, received his honorable discharge from the Marine Corps in March of 1954. He was an electrician on Jet planes with the rating of Cpl. after serving two years.

The parents are living in Cameron where Mr. Sapp is employed by the Lone Star Gas Company.

A 2-C Bartley Braden Writes Parents Of North Pole Trip

A 2-c Bartley Braden, son of Mr. and Mrs. W. E. Braden, is now stationed at Thule Air Force Base in Greenland. Braden has been in the air force medical corps for three years.

Braden recently wrote his parents about some of his experiences at the base. He stated that a helicopter aboard the ice breaker, Westwind, took off to check the ice formations around the base and due to some unknown reason crashed into the freezing waters near the boat. Two men were in the helicopter and before they could be pulled out of the water, both froze to death. One was in the water only 12 minutes, the other 20 minutes. He went on to say it was suicide to fall into the water there.

Braden made a flying tour of the Arctic region recently with a crew in a B-17, crossing over the North Pole. He took many pictures while on tour, one of Perry's Monument. The crew was in the air for 14 hours and covered 2,100 miles. He stated he would make no more unnecessary plane rides as you have two strikes against you when you board a plane in that region.
